LILY**

When Lily developed a knot on her back out of the blue, a diagnosis of rhabdomyosarcoma (soft tissue cancer) followed. Thankfully, so did a referral to St. Jude. Lily's treatment at St. Jude will include chemotherapy, surgery and proton therapy.

Families never receive a bill from St. Jude for treatment, travel, housing or food. Thanks to St. Jude housing, Lily's twin sister can stay by her side. "Her sister keeps her going," said their mom. These little girls are busy, busy, busy. Curious and brave, they love meeting new people, and they love to sing and dance.
